Dear Parents of Social II Wednesday 8:30 Students,

We are eagerly looking forward to our 2020/2021 Social Dance Classes! As I mentioned in my last email update, we are having 2 extra classes this year to make up for the missed time due to Covid. **Your child's 1st make-up class will be on Monday, August 31st from 8:30-9:30 PM. **note day change.** Your child's regular classes will be held **every other Wednesday night, beginning September 9th from 8:30-9:30 PM** at Social Inc., 3157 Washington Rd. Below is the schedule for your child's classes for the year and the second make-up class. Please refer to the guidelines below for the proper class and dance attire. If your child needs to make up a class or needs additional instruction, they may request to attend an additional class. We like to maintain safety before and after class, therefore, parents are requested to keep their student in their car until five minutes before it is time to line-up. Please do not pull up, drop off or park on the yellow painted fire lane. Please park in a designated parking spot. **Parents are responsible for their children once class is dismissed.** Remind your child that if they are socializing before or after class in a public restaurant, they represent the ideals and traits Social Inc is instilling in our students. Also, please remind your child about not chewing gum during class or dances and cell phone use is prohibited during those times as well. These issues are a distraction to everyone in the class. Thank you for your assistance with these issues. **Due to Covid, we are requiring masks to be worn at all times at Social.** Girls, of course, will be required to wear gloves. Girl's gloves should be washed after every class. We will still have our traditional greeting lines but without handshakes at this time. If your child is sick, and the partner is able to come he/she should come without a partner. Hopefully everyone will be safe and precautious leading up to and after Social starts in September. Looking forward to the day we can see each other's smile and greet each other with a firm handshake!

Sincerely,

David McLeod, Director

Proper Attire for Gentlemen: Sport coat or suit, tie, dark socks and dress shoes for all classes and Christmas Dance. Dress shoes should have a slick sole: leather (no crepe or rubber soles, no topsiders). Spring Formal attire is a black tuxedo, dark socks and black dress shoes of your own or rented with the tuxedo. Tux rental information will be distributed in the Spring.

Proper Attire for Ladies: Knee length dress or skirt/blouse for class. Long floor-length dress/skirt is required for Christmas Dance and Spring Formal. Straight, tight fitting, bare midriff or strapless dresses or gowns with trains are not appropriate for dancing. White wrist gloves are required for classes and dances. They can be purchased at Social before or the night of the 1st class for \$5. Dress shoes must have a slick sole: preferably leather, no crepe or rubber soles. They must be flexible and **not** backless. No flip flops, tennis shoes, cowboy boots, Uggs or spike high heels. Flats, low heel pumps, wedges or character shoes with a low heel and strap are the most comfortable and easiest for dancing. Character shoes are worn by Cotillion Club ladies and are ideal for Social dance. They can be purchased online at most dance supply websites, or locally at Tutus and Dance Shoes 139 Davis Rd. Augusta.
