Dear Parents of Social II Wednesday 8:30 PM class,

We are eagerly awaiting our 2026-2027 Social Dance Classes. Your child's class will be held **every other Wednesday night, beginning September 9th 8:30-9:30 PM.** Below is the schedule for your child's class for the year. We like to maintain safety before and after class, therefore, parents are requested to keep their student in their car until five minutes before it is time to line-up for class. Parents are responsible for their children once class is dismissed. Remind your child that if they are socializing before or after class in a public restaurant, they need to represent the ideals and traits Social is instilling in our students. Also, please remind your child that cell phone use and gum chewing are prohibited at Social. These issues are a major distraction to everyone in the class. It is important to attend class regularly since we build on skills at each session. If your child is sick, they should not attend Social. Their partner should come alone and will dance with another student whose partner is absent or a Cotillion Club member. If your child needs to make up a class or needs additional instruction, they may request to attend an additional class in Augusta. Please call our office to confirm the appropriate makeup class to attend. Let's make this a great year!

Sincerely,
David McLeod, Director
